1.0 COMPANY INTRODUCTION

1.1 Who are we?

NaNth Consults is a duly registered Malawian consultancy firm (BRN-DETL2ML) that provides a full range of management consultancy services specifically in the areas of human resources management, trainings, performance management, integrated management systems (IMS), organizational design and development, administration-related programs and business development services with over 10 years of industry experiences.

1.2 Our Vision

To be a reliable and number one choice consulting firm in Malawi. and beyond.

1.3 Our Mission

To offer business development and management solutions that are tailor-made to suit the needs of our clients and beyond their expectations.

1.4 Our Core Values

1.4.1 Quality

Our excellence in service delivery leads to distinct output.

1.4.2 Integrity and Professionalism

We are firm believers of core values and our service delivery is based on honesty, sincerity, professionalism and truthfulness.

1.4.3 Innovation

We value business improvement of our clients through our service delivery that is modern and easy to use.

1.4.4 Timeliness

We believe in timely service delivery to our clients.

2.0 OUR SERVICES

2.1 Recruitment, Selection and Employee Retention

We help our clients with staff selection and recruitment in an effective way. The recruitment process can be tedious and time-consuming, however, our consulting firm is ready to help our clients through the hiring process and the employee retention.

2.2 Creation of HR Systems

Our firm create tailor-made HR systems such as payroll management system and pension management systems to suit your organizational needs.

2.3 Job Evaluation and Salary Survey

We help our clients with job analysis and profiling by putting in place key essential roles and responsibilities of a particular job. We also develop job descriptions, grading of positions, salary surveys and the development of new salary and benefit structures for a company or any organization depending on their needs.

2.4 Performance Management

We help our clients with employee performance management tools that can help to track performance of employees as well as necessitate continuous performance improvement. We can help an organization with implementation of performance management processes and systems, development of career planning and progression programs, and designing and implementing of effective rewarding system.

2.5 Organizational Design and Business Development

We are specialized in mounting new organization design for start-up businesses and SMEs as well as rearranging and revising the current business design for established companies and organizations.

2.6 Policies and Contract Formulation

Depending on your requirements and needs, we can design a specialized set of procedures and policies for your organization such as: data privacy agreement, code of conduct, conditions of service, employment contract, employee handbook, etc.

2.7 Training and Development

We offer extrication range of training and development services such as training plans, training consultancy, training needs analysis, and training department setup.

2.8 HR Outsourced Service

We can also take care of your HR issues as you concentrate on your business productivity and profitability activities. We can handle for you the following:

- Payroll administration
- Personnel administration
- HR systems

2.9 Integrated Management Systems (IMS)

Our firm can offer consultancy training and system audit on IMS for your organization especially the following:

- ISO 90001
- ISO 45001
- ISO 14001

3.0 NC TEAM

Our team is composed of highly qualified and experienced consultants who are professionals in their respective fields with MBA qualifications. Our team has experts in human resources, accounting, Systems development, labor laws, IMS, logistics, MSMEs training and development.

4.0 WHY CHOOSING NC?

Below are the reasons why we are *a step closer to your HR and Administration solutions*:

4.1 Custom-made Solutions

Our solutions to your HR and administration problems are designed to meet your core requirements, and are always delivered on time.

4.2 You Are Not Just a Mere Client

We value our clients very much so that we make sure our services add value to your business core values. We also make sure that we create a bond by addressing your specific problems to your satisfaction.

4.3 Value for Money

We are not in for a business transaction but for a business relationship. Our services are there to create a client-consultant rapport and we make sure that the needs of our clients come first.
